# **CURRICULUM**

The All Saints' Diocesan school focuses on strengthening the knowledge skills and competencies of the child through comprehensive, innovative and creative learning activities. Students are provided multiple opportunities to develop their communication, creativity knowledge and organization skills. In school the CBSE curriculum is followed keeping in mind multi dimensional child centered approach. The objective of the school is to provide quality, student centered, relevant, modern Indian education that will sustain the students not only in the school and higher education but throughout their lives.

The Academic progresses of the students are assessed in two phases- (I) Scholastic Area and (II) Co-Scholastic area. The scholastic area covers the academic session which consists of two terms- **Term I** (*April to September*) and **Term II** (*October to March*) in a year comprising of 60 marks. Two Periodic Assessments are conducted in a year. The Periodic Assessment I and Periodic Assessment II is held in June and December respectively every year comprising of 20 marks each. The students are engaged in different activities per subject. The subject enrichment activity (S.E.A) is out of 15 marks and 5 marks is allotted for notebook submission. Hence Continuous Comprehensive Evaluation (CCA) process is being followed throughout the year.

The subjects taught for the Middle School are as follows:-

- English
- Hindi
- Assamese

- Mathematics
- Environmental Studies/ Social Science
- General Science
- Computer Science
- Value Education

The Co-Scholastic area includes life skills, attitudes and values, co-curricular activities, health and physical education. The Daily Schedule consists of 7 periods with the duration of 40 minutes and 2 Break Time of 10 minutes and 30 minutes. Each class has a ratio of 1:40. We have Grading Scale for both the Scholastic and Co-scholastic areas. We have an eco-friendly environment with lush-green surrounding which make the teachers, parents and students feel at home which helps in instilling values and developing life skills, thereby ensuring complete wellness of body, mind and soul of the student in this society.

In this close-knit family bonding between the parents, teachers and students, we encourage the students to be confident, industrious, independent and responsible citizens of the country.

The school ensures utmost priority towards academic excellence through a team of well-experienced and trained faculty, who have the commitment and dedication towards quality, broad vision, exposure to the best practices and the most important is to have the zeal and enthusiasm to 'strive and prevail' amidst various odds of life to build it as the best school of grooming today's children for the need of the 21<sup>st</sup> century and beyond it in future.
