"A child is not a vessel to be filled, but a fire to be lit"
Francois Rabelais

The All Saints' Diocesan School, Tezpur, is an unaided English Medium Christian Minority Co-Educational day Institution governed by **The Diocese of North East India, Church of North India with its Headquarters in Shillong**. We as a church body are guided by the doctrine of service before self and want to reach out through education to enable our students be exemplary citizens and to acquire the necessary skills to meet the challenges of a fast changing world. However, educating a child is no more one sided, it is multi polar. Therefore, parents who are committed and promise to give the sustained support to their children at the home front and are driven to provide quality education shall have an edge. Being able to pay the necessary fees is not a criterion, but active, constructive and positive support from the home front consistently is what we are looking for from parents seeking admissions in the All Saints' Diocesan School, Tezpur. In today's scenario if children are challenged at an early stage they are well equipped to adapt to life's situations. Guided by this concept we have introduced computer aided learning right from the nursery stage. All classrooms have been fitted with whiteboards and WI-FI connections for enriching the learning and teaching transactions in the classroom through a hands on approach. Our teachers shall work with a commitment and uphold the high ideals of the school and will constantly upgrade their teaching skills through workshops and seminars that the school will conduct from time to time keeping in tune to the requirements laid down by CBSE.

Kindly be informed that taking the Admission Form does not guarantee you automatic admissions into this school.
